After being idle for a month, the em-
ployees who went on strike ostensibly
for a forty-eight hour week, have vol-
untarily returned to work in the White Rock
mill next Monday, and under former
conditions of fifty-four hours. It is
said that an underlying cause for the
strike was that the best of filling was
furnished non-union employees, and the
disadvantage of unionists and that
union men have been discharged be-
cause they were associated with or-
ganized labor. Since the strike there
has been a change in machinery and
that portion of the strikers who re-
sisted as mule spinners cannot be re-
employed.

GRANDMOTHER KNEW

There Was Nothing So Good
for Congestion and Colds
as Mustard

But the old-fashioned mustard-plaster
burned and blistered while it acted. Get
the relief and help that mustard
plasters gave, without the plaster and
without the blister.

Musterole does it. It is a clean, white
ointment, made with oil of mustard. It is
scientifically prepared, so that it works
wonders, and yet does not blister the
tenderest skin.

Just massage Musterole in with the fin-
ger-tips gently. See how quickly it brings
relief—how speedily the pain disappears.
Use Musterole for sore throat, bron-
chitis, tonsillitis, croup, stiff neck, asthma,
neuritis, headache, congestion, pleurisy,
rheumatism, lumbago, pains and aches of
the back or joints, sprains, sore muscles,
bruises, chilblains, frost-bite, colds of
the chest (it often prevents pneumonia),
50c and 60c jars, hospital size \$2.50.
